## STRANGE STORY OF FAKE WEDDING

Details of Marriage of Roy Bever and Clarissa Perkins of Connersville Recited.

## SUIT TO DISSOLVE TIE HEARD

Defendant Denies She Had any Desire to Marry Bever and Motive Seems to be Lacking.

The case of Roy Bever against Clarissa Alice Perkins Bever, in which he asks that his marriage, alleged to have occurred through coercion, be annulled, was tried in the circuit court today before Judge Sparks. The court granted the annulment and urged young Bever to be careful in the future.

The defendant defaulted, but as the court wanted to get at the facts in the case she was called as a witness for the plaintiff. Mrs. Clarissa Bever denied on the witness stand that she was a party to attempted fraud in making Bever marry her and told Judge Sparks that she did not want to live with Bever.

The case revealed many sensational things and if the things alleged were so, it was stated that a motive on the part of the defendant has yet to be found. John Titsworth and Raymond Springer appeared for Bever and the state was represented by Prosecutor Stevens.

The story of how Roy Bever was arrested by an alleged fake deputy sheriff and forced to marry Clarissa Perkins was one of the strangest ever related in the circuit court here. According to the evidence Bever believed himself under arrest and did not know he was going to be married until they reached the minister's home, despite the fact that the license had been secured.

According to the testimony of Roy Bever, he was employed in Connersville at the time, by Walter Lambert, owner of a taxi-cab line. He went to Connersville to work in March 1915. On the stand he testified that he lived at the home of Mrs. Perkins, the mother of Clarissa Perkins, the defendant in the suit. He boarded and roomed here. In June, he stated that he took a week's vacation and went to the home of Oliver Joliff, south of Brookville. It was here that the alleged arrest took place.

Bever testified that Walter Lambert and the Perkins girl came to the Joliff home late one night and Lambert told him that he had a warrant for his arrest and advised that he come along quietly without and disturbance. The warrant was supposed to be on a serious charge. Bever stated that he obeyed the order believing that Lambert was acting in good faith. He said that they arrived in Connersville about midnight and that Lambert drove to the home of the county clerk and took him to the court house where the license was procured.

Young Bever stated that he was so frightened that he remembered very little of the details, but recalled that Clarissa Perkins gave her age as seventeen and that he told the clerk he was twenty years old. Lambert, according to the testimony, then took the couple to the home of a minister and handed Bever a dollar to pay for the service.

Bever stated that he cried continually from the time Lambert told him he had a warrant until they went to the Perkins home after the ceremony. He said that Lambert told him he would get him out of the trouble. Bever told the court that he did not want to marry the Perkins girl and that he was forced into the marriage against his will and

## NINETEEN PEOPLE ARE DEAD

Toll of Storm Near New Orleans Not All Known.

(By United Press.)  
New Orleans, (Via Wireless to Galveston), Oct. 1.—Nineteen people are dead here and a property loss along the water front amounts to several millions of dollars as the result of Wednesday's storm. The Great Southern Pacific wharfs and offices were practically destroyed. The full force of the storm struck the town of Houma and it is feared heavy loss of life resulted between that place and Morgan City. No word has been received from that district.

## FOLK DANCES BY SCHOOL CHILDREN

Entertaining Feature of Disease Prevention Day Meeting at Graham Annex This Evening.

## WISCONSIN MAN WILL SPEAK

Of more than passing interest will be the program of folk dances by the school children at the Disease Prevention Day exercises at the Graham Annex auditorium tonight at seven-thirty o'clock. Miss Helen Scott, supervisor of music, has arranged a series of three that will be appropriate. The first will be "I See You" and will be rendered by the pupils of the fourth grade of the Graham Annex. The second will be a Swedish folk dance by pupils from the same room. The third will be "Dickery, Dickery Doe" by pupils from the second and third grades at the Graham Annex. Miss Helen Scott will sing a solo entitled, "A Little Bug Will Get You Sometime."

Dr. W. S. Coleman, president of the Rush County Society for the Study and Prevention of Tuberculosis, will preside and introduce Otto F. Bradley, who is associated with the Wisconsin state board of health. Mr. Bradley will talk on health problems. The meeting will begin promptly at seven-thirty o'clock.

## SHELBYVILLE WILL SEND CROWD OF 300

Further News Received Regarding County Meeting of Odd Fellows Here on November 4.

## LOCAL STAFF GOING THERE

Word has been received from Lew Webb, district deputy of the Odd Fellows lodge, that Shelbyville Odd Fellows will be here for the county meeting of the lodge November 4 three hundred strong and headed by a brass band. The Arlington lodge already has thirty automobiles lined up the parade which will be held the night of the day meeting is held. A boosting party will go to Arlington to get up a big delegation there and possibly make arrangements for the Arlington band to come.

The third degree staff of the Rushville lodge will go to Shelbyville Thursday, October 21 to confer the degree at the Shelby county meeting of Odd Fellows and Shelbyville will reciprocate by sending its second degree team here to give the second degree at the county meeting.

## BANISHED FROM CITY FOR A YEAR

Carl Wright of This City Told by Mayor Braun of Connersville to Stay Away For 12 Months.

## SAD BLOW FOR DANIEL CUPID

Rushville Youth Takes Some Privileges With Friend's Automobile and Police Take a Hand.

Last evening the whole police force was put to it, to recover a supposedly stolen automobile, says the Connersville News. The automobile was not stolen, but was taken for a ride by a youth who, this morning, was given novel punishment in Police Court. He was directed by Mayor Braun to leave the city, and to stay clear of it, absolutely, for at least one year.

Jack Logan, of Lewisville, Ind., drove the auto to the city yesterday, and left it standing opposite the McFarlan Hotel. There, as it now appears, Carl Wright found it. Wright is a boy, rather than a man. His home is really in Rushville, but he has been in or about Connersville for some weeks. Finding the auto, and knowing it to belong to Logan, who is his boyhood companion and unfailing friend; it appears that he took the machine, backed it away from the curb, collected a little congenial company and went on a trip, all at his own notion. The trip extended northward, touched Milton, and some miles of National Highway, it is said. Meantime Logan missed the machine the police grew busy, the town was combed and long distance telephones hummed with warnings to look out for a thief with a car.

After six last evening the boy and his party returned. He ran the car to the place from which he took it, and was there taken in hand by a policeman, who, like the other policemen, who were still in quest. He was taken to jail. Learning that the youngster was his playmate in childhood and his fast friend, Logan refused to prosecute, and the matter was dropped, save that the Mayor warned the youth to come to Connersville no more.

This banishment, it is declared, is a bitter fate for the boy, for he has a girl in Connersville. But those who have trodden the uneven but never monotonous path of young devotion are expected, and even invited to smile at the notion that mere banishment could thwart the purpose of Cupid or keep young Loch-invar from coming out of the west.

## PROVES BIG DRIVE STARTED

Kink George Refers to "Our Common Offensive" in Message.

(By United Press.)  
Paris Oct. 1.—A personal telegram of congratulations from King George to President Poincaré and General Joffre today removed any doubt that the present onslaughts of the allies do not constitute the beginning of a great drive by the allies.

The king sent warm congratulations on the successes won by the French troops "at the outset of our common offensive."

## MARRIED SEPTEMBER 16.

A marriage license was issued on September 16 to Andrew E. Kinsley and Mayme A. Newman. The license was kept off the record until today. Kinsley desired to keep the marriage a secret for a time. It was his third marriage and her second.

## RILEY DAY IS THE NEXT STOP

Booklets Received From State Superintendent Devoted to Greatest of Living Poets.

## CELEBRATION HERE CERTAIN

Sample Programs For Schools Are Included With Many Portraits of Hoosier Singer.

Next Thursday will be the next stop in October, because on that date is the second of the three special days coming within the first eight days of October. On the seventh Indiana will pay tribute to one of her most honored and beloved sons, James Whitcomb Riley, because it was on that date many years ago that he was born.

By proclamation Governor Ralston has made it Riley Day from south to north and east to west in Hoosierdom. Accordingly, many literary societies, clubs, children's societies and other organizations have a naturally great interest in the greatest of living poets and will fittingly celebrate the day.

In addition to recognition in the schools, the observance here will likely take the form of a Riley program at the school building the Parents-teachers association. Such a thing is in the mind of the officers of the association and will in all probability be worked out.

Foremost in the forces which will bring about the fitting sanctification of this day are the schools of the state. To the end that they may not be left in the dark as to what they may or should do, Superintendent of Public Instruction Charles A. Greathouse has sent out to all county superintendents booklets, bearing a fine likeness of Dr. Riley as frontispiece, and containing within the outlines of two programs, which could be carried out easily in almost any school.

These booklets are of interest in themselves. They have pictures of the poet in his childhood. The picture of his mother, too, is shown, as is his humble old house in which he was born, and the stately but unostentatious house in Lockebie street, Indianapolis, which is his present home. Then there are letters from Mr. Riley to little children, there is the Governor's proclamation in full, and there are several of his choicest poems.

Then comes another picture of Riley and his own letter to the Governor thanking him for the proclamation, as follows.

"Dear Governor—In your proclamation in this morning's Star, you have done me an exceeding great honor, and one for which my gratitude goes out to you with a feeling and fervor as joyous as the brightest smiles and as deep as very tears. Truly, my debt to you is great beyond speech, and I only set this down in lieu of all appropriate expression. Most gratefully and faithfully yours.

"JAMES WHITCOMB RILEY."

Mr. Greathouse's letter to Indiana teachers, designating Riley day and urging its celebration, follows. A character sketch of Riley and a history of his early life, written by his close associate, Edmund Eitel, with photographs of early scenes connected with Riley's childhood, follows. Then come letters from the poet to children and appreciations from the great writers and poets of the modern times. Henry W. Longfellow, James Russell Lowell, Oliver Wendell Holmes, Mark Twain, Wm. Dean Howells, Joel Chandler Harris, Bliss Carman, Meredith Nicholson, Henry Van Dyke and Rudyard Kipling are included.

## MAKE NEW CONSTITUTION

Was Part of Business Today at Northern Indiana Conference

(By United Press.)  
South Bend, Ind., October 1.—The making of a new constitution to meet conditions was the order of business today when Laymen's Association met in connection with the Northwest Indiana Methodist Episcopal conference.

W. C. Bellman of Hammond made a plea for efficiency in church work. He told of great results coming from such efficiency and contrasted it with sad results of disorganization.

## GERMANS PLAN A NEW OFFENSIVE

Will Reply to Allies Drive to Draw Off Enemy From Vimy and Champagne Front.

## FRENCH PROGRESS BLOCKED

(By United Press.)  
London, Oct. 1.—Heavy German counter attacks have again blocked the progress of the French in the Champagne region, this afternoon's statement from French war office indicated.

Paris, however, claimed that the French continued to make progress west of Vimy, through claims of large successes are made. The Kaiser evidently has thrown more reinforcements into this line. All the German attacks have broken down, the French war office declared.

There are indications that the Germans are planning a counter offensive at some spot in the battle line now inactive with the object of drawing the allies from the Vimy and Champagne front.

## WILL MITCHELL SUCGUMBS TODAY

Former Rushville Man Dies From Effects of Injuries Sustained in Fall Last Week.

## REMAINS TO BE BROUGHT HERE

Will Mitchell age thirty-eight years, formerly of this city, died this afternoon in a hospital at Michigan City, Indiana, from the effects of a fractured skull he sustained one day last week when he fell out of a second story window twenty feet to a cement sidewalk. He was improving fast up to Wednesday noon when he sat up and ate his dinner, but at two o'clock he suffered a stroke which it was thought was brought on by a ruptured blood vessel in his head. Pneumonia developed after he was hurt, but he passed the crisis in that disease.

Mr. Mitchell was born and reared here. He left here three years ago and had become night foreman of the armature room for a traction company at Michigan City. He is survived by four sisters, Mrs. Andrew Stiffler and Miss Cora Mitchell of this city, Mrs. Ethner Russell of Indianapolis, Miss Clyde Mitchell of Indianapolis and one brother, Ernest Mitchell, of Peoria, Ill. The remains will be brought here tomorrow for funeral services and burial.

Over the water they have forgotten how to render thanks for the manifold blessings of God.

## REFUSED OFFER TO TAKE BRIBE

Louis Laitner Says William Kissel Wanted Registration Place Kept Open.

## OFFERED AS MUCH AS \$50

Indications Are Now Bell Election Conspiracy Case Will Continue Three Weeks More.

(By United Press.)  
Indianapolis, Ind., October 1.—Louis Laitner testifying today in the election corruption conspiracy trial of Mayor Bell, said that William Kissel who holds the city mule contract, tried to bribe him and his father while they were committeemen on the day of registration.

Previous witnesses have testified that Kissel instructed them to collect money from saloon keepers and give it to Mayor Bell.

Laitner said the board had decided to have a third registration day because the vote was not all in their precinct, the sixth of the seventh. At that time Kissel came, he said, and offered him \$20 and then \$30. He said Kissel did not want a third registration.

"He offered my father money and then offered me \$50," said Laitner. "But I grabbed him and dragged him out and told him he couldn't buy us. Later he came back and said their was no use in us getting sore."

Henry Spann, counsel for the defense, said today the defense probably would require less than a week for its evidence. Joseph Roach for the state said the state probably would finish in a week longer. It appeared that the case would go to the jury in about three weeks.

## BULGARS AND SERBS CLASH.

(By United Press.)  
Paris, Oct. 1.—Reports from Italian sources today say that several clashes between Bulgarians and Serbian patrols have occurred within the last few days. Both Bulgarians and Serbian troops are entrenched along the border.

## TO HELP BULGARIANS.

(By United Press.)  
London, Oct. 1.—German and Austrian officers have arrived in Bulgaria to take active part in directing the mobilization of the Bulgarian army, it was stated officially here this afternoon. The press bureau says that "this is regarded with utmost gravity."

—Mrs. Homer Havens and Mrs. Will E. Havens were among the passengers this morning to Indianapolis.

### WAR NEWS OF ONE YEAR AGO TODAY

The French War Office declared that the left flank of the Allies' forces had reached Arras and that on the right flank the Germans had been driven back across the Meuse. German army headquarters reported that the Allies were being hammered with artillery, and that all attempts of the Allies to break through had been repulsed.

Today opened the fourth week of the Battle of the Aisne. Petrograd reported that the Germans had suffered a terrific defeat in the provinces of Lodz and Suwalki.

Berlin reported that the Russian offensive against the German advance in the province of Suwalki had failed.

The German cruisers Scharnhorst and Gneisenau bombarded and half destroyed Papeete, capital of Tahiti, French possession in the South Pacific.

## Duroc-Jersey Swine Sale

The undersigned will sell at Public Auction at his farm, one-half mile east of Falmouth, Indiana, on

**Wednesday, October 6th, 1915**

**61 Head of Pure Bred Duroc Jersey Swine**

**ALL IMMUNE AND GUARANTEED CHOLERA PROOF**

I am putting up the best lot I have ever had, both as to breeding and individuality. Thirty Fall yearling gilts, 16 February and March boars, 12 to 15 Spring gilts—about 61 head in all. All have had the double serum treatment for prevention of cholera. I fully guarantee them to be immune from that disease. I will make anyone a present of any one of them he finds with a bad back or broken down pasterns. They have not been stuffed; are in just moderate flesh. In shape to go on and do you good. All of this offering are sired by Col. Jackson II 31331. He is bred the same as Defender, the twice champion at International Stock show. Their sires were full brothers, and their dams both sired by Orion Chief. The dams are by Long Chief 35981, full brother to Cherry King, Fancy Col. and Orion Col. M. Anyone at all acquainted with the breed knows that they were among the very highest, tip-top show and breeding boars of the breed. Come and see them and buy a good yearling sow that the stamina has not been fed out of.

Society News

Sixty couples were present at the Elks ball club dance and vaudeville at the Phi Delta hall Thursday night. The vaudeville was presented by a company of local artists, headed by Denning Havens, and was immensely appreciated. The dancing was made even more enjoyable by the four-piece orchestra from Anderson.

The Junior classes of Center Sunday school met at the home of Geo. McBride's Thursday night. A program was given as follows:

Piano Duet—Rella and Ruth McBride.

Oral Reading—Myrl McDaniel.

Ford Stories—Corte Reddick.

Piano Solo—Elizabeth Goetehus.

A Progressive story by all. The Remainder of the evening was well spent in various games, after which refreshments were served. The two classes meet each month.

Miss Margaret Donnan of Indianapolis will come to Rushville Saturday to hold a preliminary meeting for the organization of a study class in contemporary literature. Anyone interested in this class and in literary matters generally is cordially invited to attend this meeting at the home of Miss Henrietta Coleman on East Sixth street Saturday afternoon at 2:30 o'clock. Miss Donnan is a young woman of remarkable ability and personal charm and is a close student of contemporary literature. It is her purpose in the short series of talks which she has planned, to put her class members in touch with the best that is being done in the literary world.

NOTES OF THE BELL TRIAL

(U. P. Staff Correspondent.) Indianapolis, Oct. 1.—The trial of Mayor Joseph E. Bell, on election corruption charges today entered its twenty-fourth day. The state was still introducing evidence. This was the sixteenth day on which evidence was heard. It is believed that the state will not complete its case for another seven days.

Social Judge William H. Eichhorn is demonstrating daily that a trial can be speeded up without the tooting of horns and the ringing of bells. Some of the methods adopted by him which might escape the casual observer are the readiness with which he makes his rulings; the quiet but persistent requests that bailiffs and others have witnesses ready when called and the promptness with which court convenes in the morning and at noon.

Some estimates—not the most conservative—have been that the state will put 700 witnesses against Mayor Bell. The defense lawyers have indicated they will put on a witness for every one the state puts on. If that is true the half way stage may be reached when the state turns the case over to the defense. The closing arguments and the court's instructions possibly will consume more time than the opening statements, and the rebuttal evidence may balance a portion of the time taken in choosing the jury.

Local News

A baby girl weighing nine and a half pounds has been born to the wife of Rex Innis, living near Milroy.

W. S. Wilkerson has transferred his membership from Manila Camp to the local camp of the Modern Woodmen.

The Modern Woodmen gave the first degree to several candidates last night and acted favorably on four applications for membership.

The Modern Woodmen elected M. V. Spivey as a member of the Board of trustees, to fill the unexpired term of Russel D. Price, who resigned.

The women of the United Presbyterian church will serve a penny supper in the church basement next Friday evening from five-thirty to seven o'clock.

The Modern Woodmen burned their old rituals last night and made application for a set of the new rituals, and expect to put on the new second degree next meeting night.

No. 35, due here at 5:40 from Indianapolis on the C. H. & D., did not arrive until 6:50 this morning because two sleepers bearing the Cubs and Reds baseball teams of the National League were tacked on. The two teams have been playing at Chicago and were on their way to Cincinnati for a series.

The funeral services of Mrs. Mary Murphy, who died in Denver last Saturday and whose body arrived here late Thursday afternoon, will be held at the Catholic church Saturday morning at nine o'clock and burial will take place in East Hill cemetery. The remains are at the home of the deceased's sister, Mrs. George Wingert.

News was received today that Virgil Binford would likely recover from the effects of an operation for appendicitis at St. Vincent's hospital in Indianapolis last Saturday. His recovery was doubtful the first of this week. He formerly taught school in Rushville and has a large number of friends here.

The primary department of the Main Street Christian Sunday school will present "The Marriage of the Midgets," or a Tom Thumb wedding in the church auditorium next Friday evening. The entertainment will be given under the direction of a specialist, Miss May Burnworth of Kansas City. About 50 children ranging in age from 2 1/2 to 9 years will take part and will be dressed in full costume. The admission will be 15 and 25 cents. Parents of children in the primary department are urged to send them to Sunday school Sunday that preliminary arrangements may be made.

IN SUCH PAIN WOMAN CRIED

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. P. W. LANSING, Box 8, Allyn, Wash.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

### Where Blame Belongs

A well known newspaper defender of the Wilson administration says that "The expenditures allowed by the last Congress, in view of the declaration of the Baltimore convention, with regard to economy were a disgrace. No preceding Republican Congress had gone the length of a Democratic Congress elected on a platform of economy. The last one made a record for extravagance. It embarrassed the President and brought ridicule down upon his administration."

All of which is true except that the censure is grossly misplaced when it is loaded upon Congress, and also excepting the statement that Congress embarrassed the President. If the President has been embarrassed, it is due solely to his own action. He has absolute control over his cabinet. That cabinet asked for appropriations to the amount of \$84,000,000 more than the last Congress appropriated though the total appropriations of that Democratic Congress were \$17,000,000 more than were made by last Republican Congress. The real fact is that by asking for so much money the Wil-

son cabinet embarrassed Congress and made its work far more difficult than it should have been.

If the Democratic Congress had received any cooperation whatever from the President in its effort to economize, there might have been a different story to tell. But the President in his address to the two houses of Congress, at the opening of the last session, said that the American people are not jealous of the amount of money appropriated if they get what they want for their money. No words could have been uttered more plainly inviting Congress to extravagance. If that language means anything, it means that if the people get money for local public buildings and other public improvements commonly but often erroneously referred to as "pork," they will not criticize the administration. Of course, President Wilson put it in the more dignified language of the college professor, but its meaning could not have been otherwise than a call for larger public expenditures.

Undoubtedly, President Wilson will send an economy message to the next Congress, and attempt to pose before the country as the watchdog of the treasury. But the American people are possessed of more than average intelligence and have a habit of reading and remembering. Moreover, the people are honest enough and courageous enough, to place the responsibility exactly where it belongs, despite the studied efforts of the President's friends to shift the responsibility entirely to Congress, where only a lesser degree of blame should be placed.

It is true that the Democratic Congress passed extravagant appro-

priation bills, but it did so under pressure from the Executive Department. Not one of those appropriations became or presumably would become a law without the consent of the President, who holds the power of veto.

## "DOPE" FAVORS BOSTON TO WIN

Red Sox Stack up Stronger Than  
Phillies And Barring, Injuries  
Will be Favorite

CARRIGAN HAD THE GRIT

Did Not Win Pennant on Luck as  
Field Against Was Stiff—  
Easy Sailing For Moran

BY GEORGE R. HOLMES  
(U. P. Staff Correspondent.)

New York, Oct. 1.—Oh plain, unvarnished "dope" the Red Sox from this comparative early viewpoint, stack up stronger than the Phillies in the coming worlds clash, and probably will, barring injuries, go into the October classic as big a favorite as ever did the Mackmen over the Giants or the Mackmen over the Braves.

It wasn't luck that gave Bill Carrigan a pennant winner this year. It was plain ordinary grit, plus a couple of tons of sheer fighting, and some rattling, good consistent baseball. No manager ever faced a April getaway with a stiffer field to fight against than did this same Bill Carrigan.

Chicago's new sadly crumpled white Sox, reinforced by the meteoric Collins at second, and with a chucking staff reckoned to be the class of the circuit, started well and set the pace until June, when they had squelched, a new orge rose to confront the Boston mentor—the Tigers. And it was some orge. Cobb was playing the best baseball of his scintillating career. Crawford was slugging with all his old-time power, Veatch was playing like a fiend, and Jennings had an infield his first since 1909. All this array of power was backed up with a fair pitching staff.

But Bill Carrigan came through. When the time came for a "crucial" series—like the recent one with the Tigers at Boston, which really gave his men the pennant—he went out and won games. There was no cracking under the strain.

Boston had worked its way into the Big Tilt through the classiest field that ever represented Ban Johnson's loop. The Phillies have won a pennant from a field that probably is the weakest that ever represented the National Circuit, and that's taking no credit away from Pat Moran, either, because he deserves all the roses that be shied at his red head.

Both the favorites in the National League dropped by the wayside. The Giants never were in the hunt, and the Braves, handicapped by injuries and suspensions, put up a game, but futile, fight. Brooklyn threatened for a while, but their opposition was not of the steady variety. The Phillies haven't played flashy ball. They displayed a flash to take the lead early in the season, but since then have played fifty-five ball, content in the belief that their enemies didn't have the stuff for a spurt that would overtake them. They were right, for had either the Braves or Superbas possessed a drive of any power at all, the Phils could have been unseated at almost any stage of the race.

And because of this—because Bill Carrigan's clan has fought its way to a pennant through a bunch of hard clubs while Moran had a comparatively easy sailing—because of this, the American League entry will, barring unforeseen events, go into the series a favorite, if for no other reason.

## ASTOR CUP RACE FOR SATURDAY

Great Galaxy of Speed Kings Will  
Face Starter in First 350 Mile  
Event of New Track

THIRTY HAVE BEEN ENTERED

Course is Two Miles And Oval Has  
Been Pronounced Perfect—  
Expect American Victory

(By United Press.)  
New York, Oct. 1.—The greatest galaxy of speed kings ever gathered about one track will face the starter's gun here Saturday in the first 350-mile race for the Astor Cup on the Sheephead Bay course. About thirty cars are scheduled to make the start, but it is probable there will be some eleventh hour withdrawals.

Hopes of an American made car carrying off the honors rested largely on the Stutz and Maxwell entries. There are four Stutz cars, two of them piloted by Earl Cooper and Gil Anderson, who finished first and second respectively in the recent Minneapolis race, and at Elgin they divided the two big road races between them. Eddie Rickenbacker in his Maxwell also is expected to make a bid for honors.

The Peugeot entries are considered the most dangerous—both the cars and their drivers. There are five of them, each with a driver of international fame—Dario Resta, Bob Burman, Howdy Wilcox, Johnny Aitken and Ralph Mulford.

Barney Oldfield and his well known cigar will be seen at the wheel of a Delage, and Ralph DePalma, who won the five hundred mile race at Indianapolis last May, will pilot a Mercedes.

Besides the custody of the Astor Cup, prizes aggregating \$50,000 will go to the winners.

The big oval has been pronounced by the drivers working in practice spins as almost perfect. The motor-drome is constructed of wood, steel and concrete, and will accommodate nearly 200,000 persons. The course is two miles, with two straightways and two banks.

Following is a list of the entries and their cars:

Ralph DePalma, Mercedes; Barney Oldfield, Delage; Harry S. Harkness, Delage; Earl Cooper Stutz; Gil Anderson, Stutz; —Stutz, —Stutz, Dario Resta, Peugeot; Bob Burman, Peugeot; Johnny Aitken, Peugeot; Ralph Mulford, Peugeot; Howdy Wilcox, Peugeot; Bob Moore, Sunbeam; Eddie Pullen, Mercer; Gower Ruckstell, Mercer; Eddie Rickenbacker, Maxwell; —Maxwell; Jean Porporato, F. P.; Louis Chevrolet, —Eddie O'Donnell, Dusenberger; Pete Henderson, Dusenberger; —Dusenberger; Ira Vail, Mulford Special; Tom Alley, Ogren; Ora Haibe, Sebring; Grover Bergdoll, Erwin Special; —Erwin Special.

## SAYS WATSON HAS LEASED THE TIMES

Richmond Palladium Publishes  
Story Based on Rumor That  
Rushville Man Has Made Deal

### BEGUN WITH A RESIGNATION

The Richmond Palladium Thursday published an Indianapolis dispatch from a "staff correspondent" to the effect that James E. Watson of this city, aspirant to the Republican nomination for United States senator, had leased the Indiana Times, formerly the Indianapolis Sun. It is purely a political story with no foundation in fact and is based merely on political rumor. Mr. Watson was out of the city today.

The rumor, it is said, had its beginning in the resignation of J. W. Banbury, as publisher of the Times, according to the Palladium dispatch which has not yet been announced, by the way. The Times has had a strenuous time, its most recent owner being W. D. Boyce, who controls a string of newspapers. At one time it was stated, merely as a rumor, that Rudolph Leeds, owner of the Palladium, either owned or had control of the paper when it was known as the Indianapolis Sun.

### ITS THREE YEARS OLD

But Mrs. Reynolds Says It's Just as Good Today as When it Was First Made.

Three years ago Mrs. Reynolds testified to complete relief from kidney ills.

She now says that there has not been the slightest return of the trouble.

Rushville sufferers will take a deal of comfort in Mrs. Reynolds' statement.

Read what she says:  
Mrs. B. W. Reynolds, 620 W. Fifth street, Rushville, says: "Doan's Kidney Pills are an excellent medicine and do all they are advertised to do. When we used 'Doan's Kidney Pills in our family, they proved very beneficial."

The above statement was given July 27, 1912, and on Aug. 26, 1915, Mrs. Reynolds said: "Doan's Kidney Pills were of great help to me when I used them and the cure they gave me has proven permanent. I gladly confirm my former endorsement.

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Reynolds has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

## STRANGE STORY OF FAKE WEDDING

Continued on Page 5.

consent. Bever stated that between Brookville and Connersville Lambert drove the machine at a rate of about forty miles an hour and seemed in a hurry to get the marriage or arrest over with.

He told the court that he did not pay for the marriage license or did not ask for one. The witnesses to the ceremony were Lambert and the minister's wife, according to Bever. He said that the next morning he went to see an attorney about the case and that he never lived with his wife. Bever stated that Lambert had at different times taken the Perkins girl to her home and that Clarence Smith of Connersville had gone with her. He denied that they were ever engaged to be married. Judge Sparks questioned Bever at length and it was brought out that he made no effort or protest to prevent the clerk from issuing the license. He said that the first time he realized that he was going to be married when they went to the minister's home.

U. G. Bever, father of Roy Bever on the witness stand told of a visit of Clarissa Perkins to his home, the day before the alleged marriage. He stated that she demanded to know where Roy was as she wanted him. Bever stated that he was at the Joliff home when Lambert appeared and represented himself as having a warrant for Roy. Bever stated that he did not see the warrant and took Lambert's word for the fact. Mr. Bever stated that he did not know Roy was to be married, but simply believed he would be taken to jail and then be given a hearing.

Bever stated that he followed the automobile from Brookville to Connersville, but that the car went too fast and he did not see it from the time it left Brookville. Mr. Bever stated that he went to Brookville with Lewis Ellman on a motorcycle.

French Statement Says Allies

### ONSLAUGHTS ARE REPULSED

(By United Press.)

Paris, Oct. 1.—The French have made further progress in their drive eastward in toward the Vimy Height, the French official statement this afternoon said.

The Germans are violently counter-attacking the Artois and Champagne regions and north of the Aisne, it was officially admitted, but their onslaught has been repulsed, it was said.

"East and southeast of Neuville two German attacks were repulsed. The first was directed against our fortified works in Giornay forest; the second against the French trenches south of Hill No. 119," said the statement.

### Deafness Cannot Be Cured

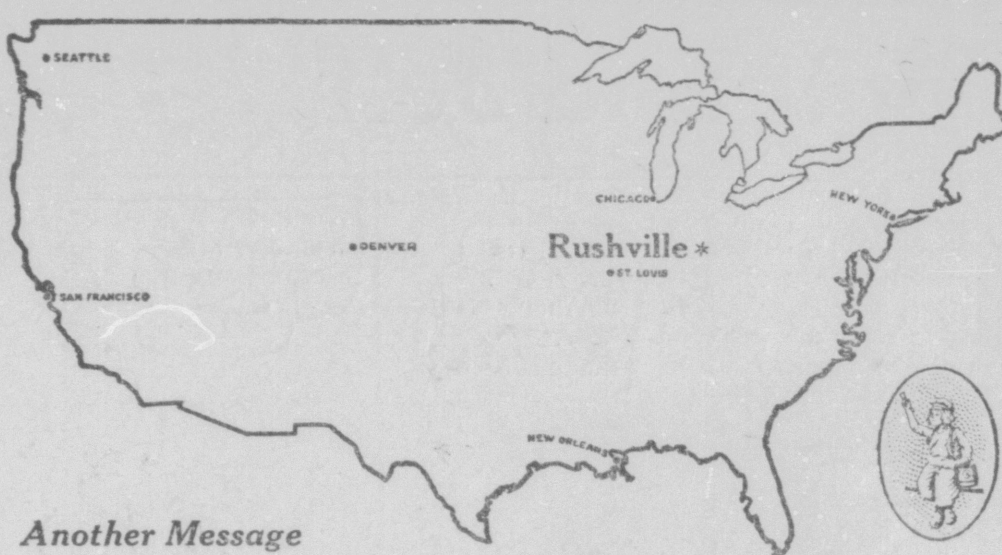

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; rhinuses out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

#### To the Business Men of Rushville

Business fights shy of dead towns. A sure sign of a dead one is the lack of local pride. People who live in a live, prosperous town show it. Their stores are attractive, their streets clean, their homes are well painted.

Nothing shows a lack of pride, a lack of prosperity, like paint-hungry buildings. Let's paint up. As the most durable and economical paint, we recommend

### True Secret of Keeping Youthful Looking

(The Beauty Seeker.)

"The real secret of keeping young-looking and beautiful," says a well-known hygienist, "is to keep the liver and bowels normally active. Without these requisites, poisonous waste products remain in the system, polluting the blood and lodging in various organs, tissues, joints. One becomes flabby, obese, nervous, mentally sluggish, dull-eyed, wrinkled and sallow of face.

"But to get liver and bowels working as they ought, without producing evil after-effects, has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from the humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though of course it is not to be classed with the real calomel of medical origin. There is no habit-forming constituent in 'santal' tablets—that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Santal tablets, which may be procured from any drugist—a dime's worth will do—will prove a revelation to any constipated, liver-troubled person."

### Chief Cause of Pimples, Blisters, Sallow Skin

(Messenger of Health.)

Unslightly eruptions, pimples, boils, blotches, sallowness or muddy skin, usually are due to a sluggish liver, a constipated bowel—and a polluted blood stream as a consequence. How foolish in such cases to resort to outward applications, which can never have natural, permanent results. If more people only knew it, there is a very simple remedy, to be found in any drug store, which is as effective as it is harmless and quick acting. It is an old formula, long recognized by the medical profession, which has been put in tablet form, and at such small cost no one need now be deprived of its wonderful benefits.

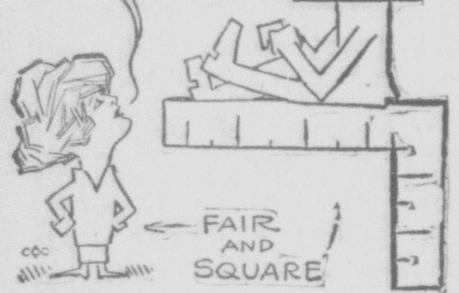

"Santal tablets"—that's the name—are entirely vegetable and there's no habit-forming ingredient. You need only get about a dime's worth, and swallow one at bedtime to realize there's nothing else quite so good for the purpose. The action in the morning is so easy, so soothing, and instead of a weakening after-effect, you feel truly refreshed and invigorated. Santal tablets are not only the finest remedy known for constipation and torpid liver, but offer the sanest, most sensible treatment for complexion difficulties of the character mentioned.

### Great Demand for New Constipation Remedy

They say that the advent of the "santal tablet" as a vegetable substitute for calomel has resulted in an extraordinary demand for this remarkable product. It seems to have made a hit particularly with those afflicted with chronic constipation, who were quick to recognize its advantages over calomel and the usual laxatives.

Santal tablets, aside from their efficacy, doubtless owe their success largely to a tendency to aid in bringing about natural functioning—instead of encouraging the "cathartic habit." Also, instead of injuring the membranous lining of the organs involved, they exert a healing influence. Instead of weakening, they add tone to the intestinal wall. And they work so easily and gently, they are of course preferred on this account to the violently acting purgatives. Their inexpensiveness is another reason for the popularity of santal tablets. One need procure only a dime's worth, and take one tablet upon retiring, to be convinced that the ideal remedy for constipation, torpid liver, and their many evil consequences, has finally been found.—Drugists Review.

## BIGGEST EVER HELD IN STATE

State Fire Marshal Says Coming Fire Prevention Day Will be Widely Observed.

DEEP INTEREST BEING SHOWN

Popular Portion of School Program is Questions to be Used by Children in Their Homes.

Fire Prevention day, October 8, 1915, will prove to be the biggest Fire Prevention day in the history of Indiana, says a bulletin from the state fire marshal's office. The indications are at this time that it will be more widely observed than ever before. Daily inquiries from school superintendents, teachers, business men and others are coming into the office of Fire Marshal Longley at the State House. Information regarding the observance of the day and suggestions of an educational nature show the deep interest that is being taken in Fire Prevention.

It is the intention of the State Fire Marshal to reach every school teacher in the state and to co-operate with all organizations that are planning to observe Fire Prevention day in some public manner. To this end thousands of copies of Governor Ralston's proclamation have been printed and are being distributed. The proclamation is generally to be made a part of programs in schools of the state.

There can be no reason for school teachers and others failing to take advantage of the practical educational propaganda on Fire Prevention day, as the Fire Marshal has drafted several skeleton programs for exercises for the school children and these can be had by anyone on demand at the department. There has been a general response to the efforts of the Fire Marshal, the practical educational propaganda on Fire Prevention day, as the Fire Marshal has drafted several skeleton programs for exercises for the school children and these can be had by anyone on demand at the department. There has been a general response to the efforts of the Fire Marshal, the practical value of the work being recognized.

One very popular portion of a school program in observance of the day is a questionnaire which is given to the children to use in inspecting their own home. This questionnaire contains twenty-one questions dealing with matters of common interest in the home. It has been said that a correct observance of the sermon taught in these questions would easily eliminate eighty per cent. of the annual fire loss in Indiana.

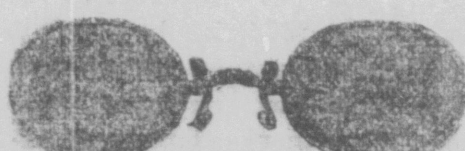

Accompanying the questionnaire and printed in conspicuous type in red ink a set of "NEVERS" have been issued by the State Fire Marshal department and is appearing throughout the state. "Never use other than safety matches; never keep gasoline except in closed safety containers; never keep ashes in wooden boxes"—these are a few of the "NEVERS."

The holding of an unexpected fire drill is at all times required in the public schools and Fire Prevention day is an appropriate time to impress this on the minds of the children. The correction of any defects in methods of leaving buildings without confusion will be made at many localities.

### THINGS OF HISTORIC VALUE IN BROOKVILLE

Camera Men For National Patriotic League Take Over 600 Feet of Film There.

### MONUMENT TO HACKLEMAN

Brookville, Ind., Oct. 1—Camera men for the National Patriotic League of Washington, D. C., have just completed the taking of over 600 feet of motion pictures showing historic old Brookville. This place is the third oldest town in the state of Indiana and has a number of historic buildings yet standing. One of these known as the "Little Cedar Grove Church" was erected in 1812 and bears a unique history. This was the first Baptist church in Indiana. Other buildings taken by the camera men were: the monument dedicated to Gen. P. A. Hackleman, the only general from Indiana, killed during the civil war who was killed at Cornith, October 3, 1862; the former home of Rear Admiral Glisson and reproductions of photos of the old government land office, which was established here in 1821 and which was torn down three years ago and of the birthplace of Lew Wallace, former governor of New Mexico and author of "Ben Hur."

The camera men also secured over 100 feet of scenic film showing the little town of Brookville in all its glory in the White Water Valley. These pictures are to form a part of the Indiana Series of motion pictures which are to be shown in nearly 200 Indiana cities and towns next year during the local centennial celebrations.

## HEAD-ON COLLISION BETWEEN FREIGHT AND A FORD ONLY NARROWLY AVERTED

E. A. Lee Leaves Machine With Engine Running at Big Four Station and it Starts Down Track.

### FREIGHT GIVES RIGHT-OF-WAY

Employees of the Big Four station here and others who chanced to be at the depot Thursday afternoon had in prospect a collision between a Ford and a Big Four freight, but that catastrophe was averted, thanks to the ability of E. A. Lee, city councilman and implement dealer, to run faster than an auto when there was no one at the helm.

Mr. Lee drove up to the station, neglected to "tie" his car—that is to say, he didn't shut off the engine. The nervous energy of the machine got the upper hand and took her straight up over the station platform and on to the main track.

Meanwhile Mr. Lee was in the station writing a check. That task completed, he started back to his machine and then for the first time saw it traveling demurely down the track, unguided, and headed for a local freight which was just beginning to pull off a siding on the main track to leave Rushville.

And here was an ideal situation

for a movie man, but fate played a new hand. The engineer saw the automobile coming down the track, and forseeing a "head-on," gave it right-of-way.

But Mr. Lee leaped into the lurch. He raced down the track after the automobile and overhauled it before it had proceeded very far. It was traveling leisurely—sort of slipping off.

After some difficulty, Mr. Lee managed to get the machine off the track and the freight was able to go on unhampered.

W. C. Pegg, President of Business School, Testifies.

Cincinnati, O., Sept. 30.—It is seldom that men of prominence, especially men who have gained fame in the political, educational or commercial life of the country, willingly express their indebtedness publicly to a proprietary medicine.

However, when a medicine obtains of that singular purity and efficiency that is shown by the uniform preparation Tanlac, statements from our best citizens are to be considered thoroughly commensurate with the good that is really being accomplished in Cincinnati and vicinity.

W. C. Pegg President of the Newport Business College, one of the leading commercial schools in Northern Kentucky, which is located at Fourth and Monmouth streets, Newport, has come forward with a statement indorsing Tanlac because he was benefited by its use. Mr. Pegg is known not only in Newport, but all over Northern Kentucky and by many in Cincinnati, as a man of unquestioned honesty and integrity and a man whose statement carries much weight. He said recently:

"I was in a badly run-down condition of health when I began taking Tanlac. The medicine afforded me immediate benefit. I have noticed a marked improvement in my digestion and appetite since I began taking Tanlac."

Tanlac, the Master Medicine, is now sold at F. E. Wolcott's Drug Store.

## NO DECISION IN THE HARDIN CASE

No Argument Will be Heard by Judge Sparks, Who Took Evidence Under Advisement.

### EBBING-CREED SUIT IS OFF

The divorce suit of Jeanette Hardin against Robert Basil Hardin was completed late yesterday afternoon in the circuit court and the case was taken under advisement by Judge Sparks. The case will not be argued. The case was hard fought and required all day to try. Mrs. Hardin asks \$1,000 alimony. On the witness stand Hardin told the court that he had exactly \$46 to his name and owed considerable money.

The case of August Ebbing against Jesse Creed and Michael Kney, to set aside the final settlement, was dismissed and the costs paid. When the case was first called the defendants defaulted. It is understood that an agreement was reached and the case dismissed.

## SIX ANNAPOLIS CADETS "CANNED"

Four Are Suspended and Fifteen Put Down One Class For Hazing Which Was Investigated.

### NONE WAS FROM INDIANA

(By United Press.)

Washington, Oct. 1.—Six cadets at Annapolis were dismissed, four were suspended for one year and fifteen were turned back to the next lower class as a result of the hazing investigation at the naval academy, Secretary Daniels announced today. None was from Indiana.

Among those set back were F. A. Benson, son of Admiral Benson, chief of operations in the navy, and A. B. Craig, son of Governor Craig of North Carolina.

President Wilson personally approved dismissal of the six cadets who Secretary Daniels said had been guilty of several hazing offenses.

"Hazing will not be tolerated," said Secretary Daniels. "We determined it shall be eradicated. There is no place in the academy for any man who will not obey orders and the laws of congress. It costs \$12,000 for the government to educate a cadet and the first thing to learn is to obey orders."

## ENGLISH PRESSED BACK

Germans Declare They Are With-standing Enemy's Attack.

(By United Press.)

Berlin, (Via Wireless to London), Oct. 1.—German counter attacks continue to press back the English, according to this afternoon's statement from the war office.

All French attacks in the Artois and Champagne regions, including a violent onslaught northwest of Massignes broke down under German fire, it was officially stated.

## Suits for All Occasions

FOR travel, for roughing, for matinees or other occasions that require a dressy suit—the style most appropriate for it is here.

New suits that you will enthuse about are just unpacked—so advanced in idea, so splendidly made, that you can buy and wear them now, and through the winter, too, and find that at the end of the season, they will still be in the lead of the mode—still fresh-looking and perfect in shape.

Perhaps you are going away this Fall? Much of the pleasure of your trip will be in the admiring glances your fashionable new suit will bring. And even if you plan to stay at home, you will still be judged by your appearance, as you unconsciously judge others.

Briefly, you need a new suit—such as these just on display.

## STRANGE STORY OF FAKE WEDDING

Details of Marriage of Roy Bever  
and Clarissa Perkins of Con-  
nersville Recited.

SUIT TO DISSOLVE TIE HEARD

Defendant Denies She Had any De-  
sire to Marry Bever and Mo-  
tive Seems to be Lacking.

The case of Roy Bever against  
Clarissa Alice Perkins Bever, in  
which he asks that his marriage, al-  
leged to have occurred through co-  
ercion, be annulled, was tried in the  
circuit court today before Judge  
Sparks. The court granted the an-  
nulment and urged young Bever to  
be careful in the future.

The defendant defaulted, but as  
the court wanted to get at the facts  
in the case she was called as a wit-  
ness for the plaintiff. Mrs. Clarissa  
Bever denied on the witness stand  
that she was a party to attempted  
fraud in making Bever marry her  
and told Judge Sparks that she did  
not want to live with Bever.

The case revealed many sensa-  
tional things and if the things al-  
leged were so, it was stated that a  
motive on the part of the defendant  
has yet to be found. John Titsworth  
and Raymond Springer appeared for  
Bever and the state was represented  
by Prosecutor Stevens.

The story of how Roy Bever was  
arrested by an alleged fake deputy  
sheriff and forced to marry Clarissa  
Perkins was one of the strangest  
ever related in the circuit court here.  
According to the evidence Bever be-  
lieved himself under arrest and did  
not know he was going to be married  
until they reached the minister's  
home, despite the fact that the li-  
cense had been secured.

According to the testimony of  
Roy Bever, he was employed in Con-  
nersville at the time, by Walter  
Lambert, owner of a taxi-cab line.  
He went to Connersville to work in  
March 1915. On the stand he tes-  
tified that he lived at the home of  
Mrs. Perkins, the mother of Clarissa  
Perkins, the defendant in the suit.  
He boarded and roomed here. In  
June, he stated that he took a week's  
vacation and went to the home of  
Oliver Joliff, south of Brookville. It  
was here that the alleged arrest took  
place.

Bever testified that Walter Lam-  
bert and the Perkins girl came to the  
Joliff home late one night and Lam-  
bert told him that he had a warrant  
for his arrest and advised that he  
come along quietly without and dis-  
turbance. The warrant was supposed  
to be on a serious charge. Bever  
stated that he obeyed the order be-  
lieving that Lambert was acting in  
good faith. He said that they ar-  
rived in Connersville about midnight  
and that Lambert drove to the home  
of the county clerk and took him to  
the court house where the license  
was procured.

Young Bever stated that he was  
so frightened that he remembered  
very little of the details, but recall-  
ed that Clarissa Perkins gave her  
age as seventeen and that he told  
the clerk he was twenty years old.  
Lambert, according to the testimony,  
then took the couple to the home of  
a minister and handed Bever a dol-  
lar to pay for the service.

Bever stated that he cried contin-  
ually from the time Lambert told  
him he had a warrant until they  
went to the Perkins home after the  
ceremony. He said that Lambert told  
him he would get him out of the  
trouble. Bever told the court that  
he did not want to marry the Per-  
kins girl and that he was forced into  
the marriage against his will and

## NINETEEN PEOPLE ARE DEAD

Toll of Storm Near New Orleans  
Not All Known.

(By United Press.)  
New Orleans, (Via Wireless to  
Galveston), Oct. 1.—Nineteen peo-  
ple are dead here and a property  
loss along the water front amounts  
to several millions of dollars as the  
result of Wednesday's storm. The  
Great Southern Pacific wharfs and  
offices were practically destroyed.  
The full force of the storm struck  
the town of Houma and it is feared  
heavy loss of life resulted between  
that place and Morgan City. No  
word has been received from that  
district.

## FOLK DANCES BY SCHOOL CHILDREN

Entertaining Feature of Disease  
Prevention Day Meeting at  
Graham Annex This Evening.

WISCONSIN MAN WILL SPEAK

Of more than passing interest will  
be the program of folk dances by  
the school children at the Disease  
Prevention Day exercises at the  
Graham Annex auditorium tonight  
at seven-thirty o'clock. Miss Helen  
Scott, supervisor of music, has ar-  
ranged a series of three that will be  
appropriate. The first will be "I  
See You" and will be rendered by  
the pupils of the fourth grade of the  
Graham Annex. The second will be  
a Swedish folk dance by pupils from  
the same room. The third will be  
"Dickery, Dickery Dock" by pupils  
from the second and third grades at  
the Graham Annex. Miss Helen  
Scott will sing a solo entitled, "A  
Little Bug Will Get You Sometime."

Dr. W. S. Coleman, president of  
the Rush County Society for the  
Study and Prevention of Tubercu-  
losis, will preside and introduce Otto  
F. Bradley, who is associated with  
the Wisconsin state board of health.  
Mr. Bradley will talk on health  
problems. The meeting will begin  
promptly at seven-thirty o'clock.

## SHELBYVILLE WILL SEND CROWD OF 300

Further News Received Regarding  
County Meeting of Odd Fellows  
Here on November 4.

LOCAL STAFF GOING THERE

Word has been received from Lew  
Webb, district deputy of the Odd  
Fellows lodge, that Shelbyville Odd  
Fellows will be here for the county  
meeting of the lodge November 4  
three hundred strong and headed by  
a brass band. The Arlington lodge  
already has thirty automobiles lined  
up the parade which will be held the  
night of the day meeting is held. A  
boosting party will go to Arlington  
to get up a big delegation there and  
possibly make arrangements for the  
Arlington band to come.

The third degree staff of the  
Rushville lodge will go to Shelby-  
ville Thursday, October 21 to con-  
fer the degree at the Shelby county  
meeting of Odd Fellows and Shelby-  
ville will reciprocate by sending its  
second degree team here to give the  
second degree at the county meet-  
ing.

## BANISHED FROM CITY FOR A YEAR

Carl Wright of This City Told by  
Mayor Braun of Connersville to  
Stay Away For 12 Months.

SAD BLOW FOR DANIEL CUPID

Rushville Youth Takes Some Privi-  
leges With Friend's Automobile  
and Police Take a Hand.

Last evening the whole police  
force was put to it, to recover a  
supposedly stolen automobile, says  
the Connersville News. The auto-  
mobile was not stolen, but was taken  
for a ride by a youth who, this mor-  
ning, was given novel punishment in  
Police Court. He was directed by  
Mayor Braun to leave the city, and  
to stay clear of it, absolutely, for  
at least one year.

Jack Logan, of Lewisville, Ind.,  
drove the auto to the city yester-  
day, and left it standing opposite the  
McFarlan Hotel. There, as it now  
appears, Carl Wright found it.  
Wright is a boy, rather than a man.  
His home is really in Rushville, but  
he has been in or about Conners-  
ville for some weeks. Finding the  
auto, and knowing it to belong to  
Logan, who is his boyhood compan-  
ion and unfailing friend; it appears  
that he took the machine, backed it  
away from the curb, collected a lit-  
tle congenial company and went on  
a trip, all at his own notion. The  
trip extended northward, touched  
Milton, and some miles of National  
Highway, it is said. Meantime Log-  
an missed the machine the police  
grew busy, the town was combed and  
long distance telephones hummed  
with warnings to look out for a  
thief with a car.

After six last evening the boy and  
his party returned. He ran the car  
to the place from which he took it,  
and was there taken in hand by a  
policeman, who, like the other po-  
licemen, who were still in quest. He  
was taken to jail. Learning that the  
youngster was his playmate in child-  
hood and his fast friend, Logan re-  
fused to prosecute, and the matter  
was dropped, save that the Mayor  
warned the youth to come to Con-  
nersville no more.

This banishment, it is declared, is  
a bitter fate for the boy, for he has  
a girl in Connersville. But those  
who have trodden the uneven but  
never monotonous path of young de-  
votion are expected, and even in-  
vited to smile at the notion that mere  
banishment could thwart the pur-  
pose of Cupid or keep young Loch-  
invar from coming out of the west.

## PROVES BIG DRIVE STARTED

Kink George Refers to "Our Com-  
mon Offensive" in Message.

(By United Press.)  
Paris Oct. 1.—A personal tele-  
gram of congratulations from King  
George to President Poincare and  
General Joffre today removed any  
doubt that the present onslaughts of  
the allies do not constitute the be-  
ginning of a great drive by the al-  
lies.

The king sent warm congratula-  
tions on the successes won by the  
French troops "at the outset of our  
common offensive."

MARRIED SEPTEMBER 16

A marriage license was issued on  
September 16 to Andrew E. Kinsley  
and Mayme A. Newman. The li-  
cense was kept off the record until  
today. Kinsley desired to keep the  
marriage a secret for a time. It was  
his third marriage and her second.

## RILEY DAY IS THE NEXT STOP

Booklets Received From State Su-  
perintendent Devoted to Greatest  
of Living Poets.

CELEBRATION HERE CERTAIN

Sample Programs For Schools Are  
Included With Many Portraits  
of Hoosier Singer.

Next Thursday will be the next  
stop in October, because on that  
date is the second of the three spe-  
cial days coming within the first eight  
days of October. On the seventh  
Indiana will pay tribute to one of  
her most honored and beloved sons,  
James Whitcomb Riley, because it  
was on that date many years ago  
that he was born.

By proclamation Governor Ral-  
ston has made it Riley Day from  
south to north and east to west in  
Hoosierdom. Accordingly, many  
literary societies, clubs, children's  
societies and other organizations  
have a naturally great interest in  
the greatest of living poets and will  
fittingly celebrate the day.

In addition to recognition in the  
schools, the observance here will  
likely take the form of a Riley pro-  
gram at the school building the Par-  
ents teachers association. Such a  
thing is in the mind of the officers of  
the association and will in all prob-  
ability will be worked out.

Foremost in the forces which will  
bring about the fitting sanctification  
of this day are the schools of the  
state. To the end that they may not  
be left in the dark as to what they  
may or should do, Superintendent of  
Public Instruction Charles A.  
Greathouse has sent out to all coun-  
ty superintendents booklets, bearing  
a fine likeness of Dr. Riley as front-  
ispiece, and containing within the  
outlines of two programs, which  
could be carried out easily in almost  
any school.

These booklets are of interest in  
themselves. They have pictures of  
the poet in his childhood. The pic-  
ture of his mother, too, is shown,  
as is his humble old house in which  
he was born, and the stately but un-  
ostentatious house in Lockebie  
street, Indianapolis, which is his  
present home. Then there are letters  
from Mr. Riley to little children,  
there is the Governor's proclamation  
in full, and there are several of his  
choicest poems.

Then comes another picture of  
Riley and his own letter to the Gov-  
ernor thanking him for the procla-  
mation, as follows.

"Dear Governor—In your procla-  
mation in this morning's Star, you  
have done me an exceeding great  
honor, and one for which my grate-  
tude goes out to you with a feeling  
and fervor as joyous as the bright-  
est smiles and as deep as very tears.  
Truly, my debt to you is great be-  
yond speech, and I only set this  
down in lieu of all appropriate ex-  
pression. Most gratefully and faith-  
fully yours.

"JAMES WHITCOMB RILEY."  
Mr. Greathouse's letter to Indiana  
teachers, designating Riley day and  
urging its celebration, follows. A  
character sketch of Riley and a his-  
tory of his early life, written by his  
close associate, Edmund Eitel, with  
photographs of early scenes con-  
nected with Riley's childhood, follows.  
Then come letters from the poet to  
children and appreciations from the  
great writers and poets of the mod-  
ern times. Henry W. Longfellow,  
James Russell Lowell, Oliver Wen-  
dell Holmes, Mark Twain, Wm. Dean  
Howells, Joel Chandler Harris, Bliss  
Carman, Meredith Nicholson, Henry  
Van Dyke and Rudyard Kipling are  
included.

## MAKE NEW CONSTITUTION

Was Part of Business Today at  
Northern Indiana Conference

(By United Press.)  
South Bend, Ind., October 1.—The  
making of a new constitution to  
meet conditions was the order of  
business today when Laymen's As-  
sociation met in connection with the  
Northwest Indiana Methodist Epis-  
copal conference.

W. C. Bellman of Hammond made  
a plea for efficiency in church work.  
He told of great results coming from  
such efficiency and contrasted it  
with sad results of disorganization.

## GERMANS PLAN A NEW OFFENSIVE

Will Reply to Allies Drive to Draw  
Off Enemy From Vimy and  
Champagne Front.

FRENCH PROGRESS BLOCKED

(By United Press.)  
London, Oct. 1.—Heavy German  
counter attacks have again blocked  
the progress of the French in the  
Champagne region, this afternoon's  
statement from French war office  
indicated.

Paris, however, claimed that the  
French continued to make progress  
west of Vimy, through claims of  
large successes are made. The kai-  
ser evidently has thrown more rein-  
forcements into this line. All the  
German attacks have broken down,  
the French war office declared.

There are indications that the  
Germans are planning a counter of-  
fensive at some spot in the battle  
line now inactive with the object of  
drawing the allies from the Vimy  
and Champagne front.

## WILL MITCHELL SUCCUMBS TODAY

Former Rushville Man Dies From  
Effects of Injuries Sustained in  
Fall Last Week.

REMAINS TO BE BROUGHT HERE

Will Mitchell age thirty-eight  
years, formerly of this city, died this  
afternoon in a hospital at Michigan  
City, Indiana, from the effects of  
a fractured skull he sustained one  
day last week when he fell out of a  
second story window twenty feet to  
a cement sidewalk. He was improv-  
ing fast up to Wednesday noon when  
he sat up and ate his dinner, but at  
two o'clock he suffered a stroke  
which it was thought was brought  
on by a ruptured blood vessel in his  
head. Pneumonia developed after he  
was hurt, but he passed the crisis in  
that disease.

Mr. Mitchell was born and rear-  
ed here. He left here three years  
ago and had become night foreman  
of the armature room for a trac-  
tion company at Michigan City. He  
is survived by four sisters, Mrs. An-  
drew Stiffler and Miss Cora Mitchell  
of this city, Mrs. Ethner Russell of  
Indianapolis, Miss Clyde Mitchell of  
Indianapolis and one brother, Er-  
nest Mitchell, of Peoria, Ill. The  
remains will be brought here tomor-  
row for funeral services and burial.

Over the water they have for-  
gotten how to render thanks for the  
manifold blessings of God.

## REFUSED OFFER TO TAKE BRIBE

Louis Laitner Says William Kissel  
Wanted Registration Place  
Kept Open.

OFFERED AS MUCH AS \$50

Indications Are Now Bell Election  
Conspiracy Case Will Continue  
Three Weeks More.

(By United Press.)  
Indianapolis, Ind., October 1.—  
Louis Laitner testifying today in  
the election corruption conspiracy  
trial of Mayor Bell, said that Wil-  
liam Kissel who holds the city mile  
contract, tried to bribe him and his  
father while they were committee-  
men on the day of registration.

Previous witnesses have testified  
that Kissel instructed them to col-  
lect money from saloon keepers and  
give it to Mayor Bell.

Laitner said the board had decid-  
ed to have a third registration day  
because the vote was not all in their  
precinct, the sixth of the seventh. At  
that time Kissel came, he said, and  
offered him \$20 and then \$30. He  
said Kissel did not want a third  
registration.

"He offered my father money and  
then offered me \$50," said Laitner,  
"But I grabbed him and dragged him  
out and told him he couldn't buy us.  
Later he came back and said there  
was no use in us getting sore."

Henry Spann, counsel for the de-  
fense, said today the defense prob-  
ably would require less than a week  
for its evidence. Joseph Roach for  
the state said the state probably  
would finish in a week longer. It  
appeared that the case would go to  
the jury in about three weeks.

BULGARS AND SERBS CLASH.

(By United Press.)  
Paris, Oct. 1.—Reports from  
Italian sources today say that sev-  
eral clashes between Bulgarians  
and Serbian patrols have occurred  
within the last few days. Both Bul-  
garians and Serbian troops are en-  
trenched along the border.

TO HELP BULGARIANS.

(By United Press.)  
London, Oct. 1.—German and  
Austrian officers have arrived in  
Bulgaria to take active part in di-  
recting the mobilization of the Bul-  
garian army, it was tated officially  
here this afternoon. The press bu-  
reau says that "this is regarded with  
utmost gravity."

Will E. Havens were among the pas-  
sengers this morning to Indianapo-

### WAR NEWS OF ONE YEAR AGO TODAY

The French War Office declared that the left flank of the Allies' forces had reached Arras and that on the right flank the Germans had been driven back across the Meuse. German army headquarters reported that the Allies were being hammered with artillery, and that all attempts of the Allies to break through had been repulsed. Today opened the fourth week of the Battle of the Aisne. Petrograd reported that the Germans had suffered a terrific defeat in the provinces of Lodz and Suwalki. Berlin reported that the Russian offensive against the German advance in the province of Suwalki had failed. The German cruisers Scharnhorst and Gneisenau bombarded and half destroyed Papete, capital of Tahiti, French possession in the South Pacific.

## Duroc-Jersey Swine Sale

The undersigned will sell at Public Auction at his farm, one-half mile east of Falmouth, Indiana, on

**Wednesday, October 6th, 1915**

**61 Head of Pure Bred Duroc Jersey Swine**

**ALL IMMUNE AND GUARANTEED CHOLERA PROOF**

I am putting up the best lot I have ever had, both as to breeding and individuality. Thirty Fall yearling gilts, 16 February and March boars, 12 to 15 Spring gilts—about 61 head in all. All have had the double serum treatment for prevention of cholera. I fully guarantee them to be immune from that disease. I will make anyone a present of any one of them he finds with a bad back or broken down pasterns. They have not been stuffed; are in just moderate flesh. In shape to go on and do you good. All of this offering are sired by Col. Jackson II 31331. He is bred the same as Defender, the twice champion at International Stock show. Their sires were full brothers, and their dams both sired by Orion Chief. The dams are by Long Chief 35981, full brother to Cherry King, Fancy Col. and Orion Col. M. Anyone at all acquainted with the breed knows that they were among the very highest, tip-top show and breeding boars of the breed. Come and see them and buy a good yearling sow that the stamina has not been fed out of.

**Wednesday, October 6th, 1915**

**UNDER TENT — RAIN OR SHINE**

At this time we will offer for sale, to the highest bidder, 75 head male and female, eligible to register, Duroc Jersey Hogs, as fine individuals as will pass through the sale ring this year.

They have the size and quality to please you. All guaranteed to be breeders, sired by six different sires. Dams by most all the noted hogs of the breed. There is no animal on the farm that is as profitable as a good breeding male Duroc.

We extend a most cordial invitation to all of our old patrons and as many new ones as may attend our annual Sale and Hog Show that has become a fixed day of recreation to a large number of Progressive Hog Raisers. We must see other people's herds to be able to pass judgment on our own. We will again furnish entertainment to all who may attend, in the way of a good substantial dinner, free of charge at 11:30 a. m.

To all desiring a catalog, drop a card to either of us addressed Liberty, and you will receive one.

IN SUCH PAIN  
WOMAN CRIED

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. F. W. LANSING, Box 8, Allyn, Wash.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Society News

Sixty couples were present at the Elks ball club dance and vaudeville at the Phi Delta hall Thursday night. The vaudeville was presented by a company of local artists, headed by Denning Havens, and was immensely appreciated. The dancing was made even more enjoyable by the four-piece orchestra from Anderson.

The Junior classes of Center Sunday school met at the home of Geo. McBride's Thursday night. A program was given as follows: Piano Duet—Rella and Ruth McBride.

Oral Reading—Myrl McDaniel.  
Ford Stories—Corte Reddick.  
Piano Solo—Elizabeth Goetchus.  
A Progressive story by all. The remainder of the evening was well spent in various games, after which refreshments were served. The two classes meet each month.

Miss Margaret Donnan of Indianapolis will come to Rushville Saturday to hold a preliminary meeting for the organization of a study class in contemporary literature. Anyone interested in this class and in literary matters generally is cordially invited to attend this meeting at the home of Miss Henrietta Coleman on East Sixth street Saturday afternoon at 2:30 o'clock. Miss Donnan is a young woman of remarkable ability and personal charm and is a close student of contemporary literature. It is her purpose in the short series of talks which she has planned, to put her class members in touch with the best that is being done in the literary world.

NOTES OF THE BELL TRIAL

(U. P. Staff Correspondent.)  
Indianapolis, Oct. 1.—The trial of Mayor Joseph E. Bell, on election corruption charges today entered its twenty-fourth day. The state was still introducing evidence. This was the sixteenth day on which evidence was heard. It is believed that the state will not complete its case for another seven days.

Social Judge William H. Eichhorn is demonstrating daily that a trial can be speeded up without the tooting of horns and the ringing of bells. Some of the methods adopted by him which might escape the casual observer are the readiness with which he makes his rulings; the quiet but persistent requests that bailiffs and others have witnesses ready when called and the promptness with which court convenes in the morning and at noon.

Some estimates—not the most conservative—have been that the state will put 700 witnesses against Mayor Bell. The defense lawyers have indicated they will put on a witness for every one the state puts on. If that is true the half way stage may be reached when the state turns the case over to the defense. The closing arguments and the court's instructions possibly will consume more time than the opening statements, and the rebuttal evidence may balance a portion of the time taken in choosing the jury.

### Where Blame Belongs

A well known newspaper defender of the Wilson administration says that "The expenditures allowed by the last Congress, in view of the declaration of the Baltimore convention, with regard to economy were a disgrace. No preceding Republican Congress had gone the length of a Democratic Congress elected on a platform of economy. The last one made a record for extravagance. It embarrassed the President and brought ridicule down upon his administration."

All of which is true except that the censure is grossly misplaced when it is loaded upon Congress, and also excepting the statement that Congress embarrassed the President. If the President has been embarrassed, it is due solely to his own action. He has absolute control over his cabinet. That cabinet asked for appropriations to the amount of \$84,000,000 more than the last Congress appropriated though the total appropriations of that Democratic Congress were \$17,000,000 more than were made by last Republican Congress. The real fact is that by asking for so much money the Wilson cabinet embarrassed Congress and made its work far more difficult than it should have been.

If the Democratic Congress had received any cooperation whatever from the President in its effort to economize, there might have been a different story to tell. But the President in his address to the two houses of Congress, at the opening of the last session, said that the American people are not jealous of the amount of money appropriated if they get what they want for their money. No words could have been uttered more plainly inviting Congress to extravagance. If that language means anything, it means that if the people get money for local public buildings and other public improvements commonly but often erroneously referred to as "pork," they will not criticize the administration. Of course, President Wilson put it in the more dignified language of the college professor, but its meaning could not have been otherwise than a call for larger public expenditures.

Undoubtedly, President Wilson will send an economy message to the next Congress, and attempt to pose before the country as the watchdog of the treasury. But the American people are possessed of more than average intelligence and have a habit of reading and remembering. Moreover, the people are honest enough and courageous enough, to place the responsibility exactly where it belongs, despite the studied efforts of the President's friends to shift the responsibility entirely to Congress, where only a lesser degree of blame should be placed. It is true that the Democratic Congress passed extravagant appropriations bills, but it did so under pressure from the Executive Departments. Not one of those appropriations became or presumably would become a law without the consent of the President, who holds the power of veto.

## "DOPE" FAVORS BOSTON TO WIN

Red Sox Stack up Stronger Than Phillies And Barring, Injuries Will be Favorite

CARRIGAN HAD THE GRIT

Did Not Win Pennant on Luck as Field Against Was Stiff—Easy Sailing For Moran

BY GEORGE R. HOLMES  
(U. S. Staff Correspondent.)

New York, Oct. 1.—Oh plain, unvarnished "dope" the Red Sox from this comparative early viewpoint, stack up stronger than the Phillies in the coming worlds clash, and probably will, barring injuries, go into the October classic as big a favorite as ever did the Mackmen over the Giants or the Mackmen over the Braves.

It wasn't luck that gave Bill Carrigan a pennant winner this year. It was plain ordinary grit, plus a couple of tons of sheer fighting, and some rattling, good consistent baseball. No manager ever faced a April getaway with a stiffer field to fight against than did this same Bill Carrigan.

Chicago's new sadly crumpled white Sox, reinforced by the meteoric Collins at second, and with a chucking staff reckoned to be the class of the circuit, started well and set the pace until June, when they had squelched; a new orge rose to confront the Boston mentor—the Tigers. And it was some orge. Cobb was playing the best baseball of his scintillating career. Crawford was slugging with all his old-time power, Veach was playing like a fiend, and Jennings had an infield his first since 1909. All this array of power was backed up with a fair pitching staff.

But Bill Carrigan came through. When the time came for a "crucial" series—like the recent one with the Tigers at Boston, which really gave his men the pennant—he went out and won games. There was no cracking under the strain.

Boston had worked its way into the Big Tilt through the classiest field that ever represented Ban Johnson's loop. The Phillies have won a pennant from a field that probably is the weakest that ever represented the National Circuit, and that's taking no credit away from Pat Moran, either, because he deserves all the roses that be shed at his red head.

Both the favorites in the National League dropped by the wayside. The Giants never were in the hunt, and the Braves, handicapped by injuries and suspensions, put up a game, but futile, fight. Brooklyn threatened for a while, but their opposition was not of the steady variety. The Phillies haven't played flashy ball. They displayed a flash to take the lead early in the season, but since then have played fifty-five ball, content in the belief that their enemies didn't have the stuff for a spurt that would overtake them. They were right, for had either the Braves or Supperbas possessed a drive of any power at all, the Phils could have been unsent at almost any stage of the race.

And because of this—because Bill Carrigan's clan has fought its way to a pennant through a bunch of hard clubs while Moran had has comparatively easy sailing—because of this, the American League entry will, barring unforeseen events, go into the series a favorite, if for no other reason.

## ASTOR CUP RACE FOR SATURDAY

Great Galaxy of Speed Kings Will Face Starter in First 350 Mile Event of New Track

THIRTY HAVE BEEN ENTERED

Course is Two Miles And Oval Has Been Pronounced Perfect—Expect American Victory

(By United Press.)  
New York, Oct. 1.—The greatest galaxy of speed kings ever gathered about one track will face the starter's gun here Saturday in the first 350-mile race for the Astor Cup on the Sheepshead Bay course. About thirty cars are scheduled to make the start, but it is probable there will be some eleventh hour withdrawals.

Hopes of an American made car carrying off the honors rested largely on the Stutz and Maxwell entries. There are four Stutz cars, two of them piloted by Earl Cooper and Gil Anderson, who finished first and second respectively in the recent Minneapolis race; and at Elgin they divided the two big road races between them. Eddie Rickenbacker in his Maxwell also is expected to make a bid for honors. The Peugeot entries are considered

ed the most dangerous—both the cars and their drivers. There are five of them, each with a driver of international fame—Dario Resta, Bob Burman, Howdy Wilcox, Johnny Aitken and Ralph Mulford.

Barney Oldfield and his well known cigar will be seen at the wheel of a Delage, and Ralph DePalma, who won the five hundred mile race at Indianapolis last May, will pilot a Mercedes.

Besides the custody of the Astor Cup, prizes aggregating \$50,000 will go to the winners.

The big oval has been pronounced by the drivers working in practice spins as almost perfect. The motor-drome is constructed of wood, steel and concrete, and will accommodate nearly 200,000 persons. The course is two miles, with two straightways and two banks.

Following is a list of the entries and their cars:

Ralph DePalma, Mercedes; Barney Oldfield, Delage; Harry S. Harkness, Delage; Earl Cooper Stutz; Gil Anderson, Stutz; —Stutz, —Stutz, Dario Resta, Peugeot; Bob Burman, Peugeot; Johnny Aitken, Peugeot; Ralph Mulford, Peugeot; Howdy Wilcox, Peugeot; Bob Moore, Sunbeam; Eddie Pullen, Mercer; Glow-er Ruckstell, Mercer; Eddie Rickenbacker, Maxwell; —Maxwell; Jean Porporato, F. ## SAYS WATSON HAS LEASED THE TIMES

Richmond Palladium Publishes Story Based on Rumor That Rushville Man Has Made Deal

### BEGUN WITH A RESIGNATION

The Richmond Palladium Thursday published an Indianapolis dispatch from a "staff correspondent" to the effect that James E. Watson of this city, aspirant to the Republican nomination for United States senator, had leased the Indiana Times, formerly the Indianapolis Sun. It is purely a political story with no foundation in fact and is based merely on political rumor. Mr. Watson was out of the city today.

The rumor, it is said, had its beginning in the resignation of J. W. Banbury, as publisher of the Times, according to the Palladium dispatch which has not yet been announced, by the way. The Times has had a strenuous time, its most recent owner being W. D. Boyce, who controls a string of newspapers. At one time it was stated, merely as a rumor, that Rudolph Leeds, owner of the Palladium, either owned or had control of the paper when it was known as the Indianapolis Sun.

### ITS THREE YEARS OLD

But Mrs. Reynolds Says It's Just as Good Today as When it Was First Made.

Three years ago Mrs. Reynolds testified to complete relief from kidney ills.

She now says that there has not been the slightest return of the trouble.

Rushville sufferers will take a deal of comfort in Mrs. Reynolds' statement.

Read what she says: Mrs. B. W. Reynolds, 620 W. Fifth street, Rushville, says: "Doan's Kidney Pills are an excellent medicine and do all they are advertised to do. When we used 'Doan's Kidney Pills in our family, they proved very beneficial."

The above statement was given July 27, 1912, and on Aug. 26, 1915, Mrs. Reynolds said: "Doan's Kidney Pills were of great help to me when I used them and the cure they gave me, has proven permanent. I gladly confirm my former endorsement."

## STRANGE STORY OF FAKE WEDDING

Continued on Page 5.

consent. Bever stated that between Brookville and Connersville Lambert drove the machine at a rate of about forty miles an hour and seemed in a hurry to get the marriage or arrest over with.

He told the court that he did not pay for the marriage license or did not ask for one. The witnesses to the ceremony were Lambert and the minister's wife, according to Bever. He said that the next morning he went to see an attorney about the case and that he never lived with his wife. Bever stated that Lambert had at different times taken the Perkins girl to her home and that Clarence Smith of Connersville had gone with her. He denied that they were ever engaged to be married. Judge Sparks questioned Bever at length and it was brought out that he made no effort or protest to prevent the clerk from issuing the license. He said that the first time he realized that he was going to be married when they went to the minister's home.

U. G. Bever, father of Roy Bever on the witness stand told of a visit of Clarissa Perkins to his home, the day before the alleged marriage. He stated that she demanded to know where Roy was as she wanted him. Bever stated that he was at the Joliff home when Lambert appeared and represented himself as having a warrant for Roy. Bever stated that he did not see the warrant and took Lambert's word for the fact. Mr. Bever stated that he did not know Roy was to be married, but simply believed he would be taken to jail and then be given a hearing.

Bever stated that he followed the automobile from Brookville to Connersville, but that the car went too fast and he did not see it from the time it left Brookville. Mr. Bever stated that he went to Brookville with Lewis Ellman on a motorcycle.

In Spite of German Counter-Attacks French Statement Says Allies Continue Gains.

### ONSLAUGHTS ARE REPULSED

(By United Press.)

Paris, Oct. 1.—The French have made further progress in their drive eastward in toward the Vimy Height, the French official statement this afternoon said.

The Germans are violently counter-attacking the Artois and Champagne regions and north of the Aisne, it was officially admitted, but their onslaught has been repulsed, it was said.

"East and southeast of Neuville two German attacks were repulsed. The first was directed against our fortified works in Giornay forest; the second against the French trenches south of Hill No. 119," said the statement.

### Deafness Cannot Be Cured

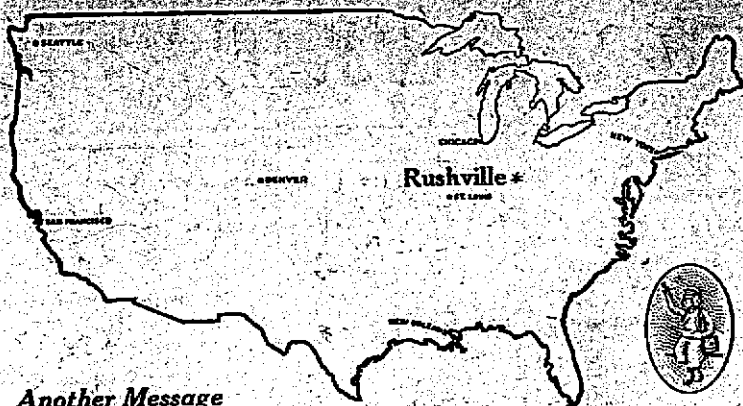

Local applications, as they cannot reach the diseased portion of the ear, there is only one way to cure deafness, and that is by constitutional treatment. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. It is not cured by catarrh, which cannot be cured by Hall's Catarrh Cure. Send for circular, free.

### True Secret of Keeping Youthful Looking

(The Beauty Seeker.)

"The real secret of keeping young-looking and beautiful," says a well-known hygienist, "is to keep the liver and bowels normally active. Without these qualities, waste products remain in the system, polluting the blood and lodging in various organs, tissues, joints. One becomes flabby, obese, nervous, averily sluggish, dull-eyed, wrinkled and sallow of face.

"But to get liver and bowels working as they ought, without producing evil after-effects, has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from the humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though of course it is not to be classed with the real calomel of mercurial origin. There is no habit-forming constituent in 'sentinel' tablets—that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Sentinel tablets, which may be procured from any druggist—a dime's worth will there—prove a revelation to any constipated, liver-troubled person."

### Chief Cause of Pimples, Blotches, Sallow Skin

(Messenger of Health.)

Unightly eruptions, pimples, boils, blotches, sallow or muddy skin, usually are due to a sluggish liver, a constipated bowel—and a polluted blood stream as a consequence. How foolish in such cases to resort to outward applications, which can never have a permanent effect. If more people only knew it, there is a very simple remedy, to be found in any drug store, which is as effective as it is harmless and of acting. It is an old formula, long recognized by the medical profession, which has been put in tablet form, and at such small cost no one need now be deprived of its wonderful benefits.

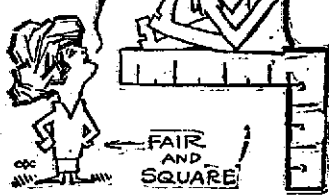

"Sentinel tablets"—that's the name—are entirely vegetable and there's no habit-forming ingredient. You need only take about a dime's worth and swallow one at bedtime to realize there's nothing else quite so good for the purpose. The action in the morning is so easy, so soothing, and instead of a weakening after-effect, you feel truly refreshed and invigorated. Sentinel tablets are not only the finest remedy known for constipation and torpid liver, but offer the surest, most sensible treatment for complexion difficulties of the character mentioned.

### Great Demand for New Constipation Remedy

They say that the advent of the "sentinel tablet" as a vegetable substitute for calomel has resulted in an extraordinary demand for this remarkable product. It seems to have made a hit particularly with those afflicted with chronic constipation, who were quick to recognize its advantages over calomel and the usual laxatives.

Sentinel tablets, aside from their efficacy, doubtless owe their success largely to a tendency to aid in bringing about natural functions instead of encouraging the "cathartic habit." Also, instead of injuring the membranous lining of the organs involved, they exert a healing influence. Instead of weakening, they add tone to the intestinal wall. And they work so easily and gently, they are of course preferred on this account to the "violently acting" cathartics. The inexpensiveness is another reason for the popularity of sentinel tablets. One need procure only a dime's worth, and take one tablet upon retiring, to be convinced that it is a safe remedy for constipation, torpid liver, and their many evil consequences, has finally been found—Druggists Review.

## BIGGEST EVER HELD IN STATE

State Fire Marshal Says Coming Fire Prevention Day Will be Widely Observed.

DEEP INTEREST BEING SHOWN

Popular Portion of School Program is Questions to be Used by Children in Their Homes.

Fire Prevention day, October 8, 1915, will prove to be the biggest Fire Prevention day in the history of Indiana, says a bulletin from the state fire marshal's office. The indications are at this time that it will be more widely observed than ever before. Daily inquiries from school superintendents, teachers, business men and others are coming into the office of Fire Marshal Longley at the State House. Information regarding the observance of the day and suggestions of an educational nature show the deep interest that is being taken in Fire Prevention.

It is the intention of the State Fire Marshal to reach every school teacher in the state and to co-operate with all organizations that are planning to observe Fire Prevention day in some public manner. To this end thousands of copies of Governor Ralston's proclamation have been printed and are being distributed. The proclamation is generally to be made a part of programs in schools of the state.

There can be no reason for school teachers and others failing to take advantage of the practical educational propaganda on Fire Prevention day, as the Fire Marshal has drafted several skeleton programs for exercises for the school children and these can be had by anyone on demand at the department. There has been a general response to the efforts of the Fire Marshal, the practical value of the work being recognized.

One very popular portion of a school program in observance of the day is a questionnaire which is given to the children to use in inspecting their own home. This questionnaire contains twenty-one questions dealing with matters of common interest in the home. It has been said that a correct observance of the sermon taught in these questions would easily eliminate eighty per cent. of the annual fire loss in Indiana.

Accompanying the questionnaire and printed in conspicuous type in red ink a set of "NEVERS" have been issued by the State Fire Marshal department and is appearing throughout the state. "Never use other than safety matches; never keep gasoline except in closed safety containers; never keep ashes in wooden boxes"—these are a few of the "NEVERS."

The holding of an unexpected fire drill is at all times required in the public schools and Fire Prevention day is an appropriate time to impress this on the minds of the children. The correction of any defects in methods of leaving buildings without confusion will be made at many localities.

### THINGS OF HISTORIC VALUE IN BROOKVILLE

Camera Men For National Patriotic League Take Over 600 Feet of Film There.

MONUMENT TO HACKLEMAN

Brookville, Ind., Oct. 1.—Camera men for the National Patriotic League of Washington, D. C., have just completed the taking of over 600 feet of motion pictures showing historic old Brookville. This place is the third oldest town in the state of Indiana and has a number of historic buildings yet standing. One of these known as the "Little Cedar Grove Church" was erected in 1812 and bears a unique history. This was the first Baptist church in Indiana. Other buildings taken by the camera men were: the monument dedicated to Gen. P. A. Hackleman, the only general from Indiana, killed during the civil war who was killed at Cornith, October 3, 1862; the former home of Rear Admiral Glisson and reproductions of photos of the old government land office, which was established here in 1821 and which was torn down three years ago and of the birthplace of Lew Wallace, former governor of New Mexico and author of "Ben Hur."

The camera men also secured over 100 feet of scenic film showing the little town of Brookville in all its glory in the White Water Valley. These pictures are to form a part of the Indiana Series of motion pictures which are to be shown in nearly 200 Indiana cities and towns next year during the local centennial celebrations.

HEAD-ON COLLISION BETWEEN FREIGHT AND A FORD ONLY NARROWLY AVERTED

E. A. Lee Leaves Machine With Engine Running at Big Four Station and it Starts Down Track.

FREIGHT GIVES RIGHT-OF-WAY

Employees of the Big Four station here and others who chanced to be at the depot Thursday afternoon had in prospect a collision between a Ford and a Big Four freight, but that catastrophe was averted, thanks to the ability of E. A. Lee, city councilman and implement dealer, to run faster than an auto when there was no one at the helm.

Mr. Lee drove up to the station, neglected to "tie" his car—that is to say, he didn't shut off the engine. The nervous energy of the machine got the upper hand and took her straight up over the station platform and on to the main track.

Meanwhile Mr. Lee was in the station writing a check. That task completed, he started back to his machine and then for the first time saw it traveling demurely down the track, unguided, and headed for a local freight which was just beginning to pull off a siding on the main track to leave Rushville.

And here was an ideal situation

for a movie man, but fate played a new hand. The engineer saw the automobile coming down the track, and foreseeing a "head-on," gave it right-of-way.

But Mr. Lee leaped into the lurch. He raced down the track after the automobile and overhauled it before it had proceeded very far. It was traveling leisurely—sort of slipping off.

After some difficulty, Mr. Lee managed to get the machine off the track and the freight was able to go on unhampered.

BOSTON TUNNEL

(By United Press.) Boston, Mass., Oct. 1.—The new East Boston tunnel extension will be in full operation the middle of this month, it is believed. Practically all of the work has been completed. The new tunnel connects the older tubes, and is expected to greatly facilitate traffic. It cost \$2,500,000 and was begun Nov. 29, 1912.

COLLEGE HEAD LAUDS TANLAC NEW MEDICINE

W. C. Pegg, President of Business School, Testifies.

Cincinnati, O., Sept. 30.—It is seldom that men of prominence, especially men who have gained fame in the political, educational or commercial life of the country, willingly express their indebtedness publicly to a proprietary medicine.

However, when a medicine obtains of that singular purity and efficiency that is shown by the uniform preparation Tanlac, statements from our best citizens are to be considered thoroughly commensurate with the good that is really being accomplished in Cincinnati and vicinity.

W. C. Pegg President of the Newport Business College, one of the leading commercial schools in Northern Kentucky, which is located at Fourth and Monmouth streets, Newport, has come forward with a statement indorsing Tanlac because he was benefited by its use. Mr. Pegg is known not only in Newport, but all over Northern Kentucky and by many in Cincinnati, as a man of unquestioned honesty and integrity and a man whose statement carries much weight. He said recently:

"I was in a badly run-down condition of health when I began taking Tanlac. The medicine afforded me immediate benefit. I have noticed a marked improvement in my digestion and appetite since I began taking Tanlac."

Tanlac, the Master Medicine, is now sold at F. E. Wolcott's Drug Store.

NO DECISION IN THE HARDIN CASE

No Argument Will be Heard by Judge Sparks, Who Took Evidence Under Advisement.

EBBING-CREED SUIT IS OFF

The divorce suit of Jeanette Hardin against Robert Basil Hardin was completed late yesterday afternoon in the circuit court and the case was taken under advisement by Judge Sparks. The case will not be argued. The case was hard fought and required all day to try. Mrs. Hardin asks \$1,000 alimony. On the witness stand Hardin told the court that he had exactly \$46 to his name and owed considerable money.

The case of August Ebbing against Jesse Creed and Michael Kney, to set aside the final settlement, was dismissed and the costs paid. When the case was first called the defendants defaulted. It is understood that an agreement was reached and the case dismissed.

SIX ANNAPOLIS CADETS "CANNED"

Four Are Suspended and Fifteen Put Down One Class For Hazing Which Was Investigated.

NONE WAS FROM INDIANA

(By United Press.) Washington, Oct. 1.—Six cadets at Annapolis were dismissed, four were suspended for one year and fifteen were turned back to the next lower class as a result of the hazing investigation at the naval academy, Secretary Daniels announced today. None was from Indiana.

Among those set back were F. A. Benson, son of Admiral Benson, chief of operations in the navy, and A. B. Craig, son of Governor Craig of North Carolina.

President Wilson personally approved dismissal of the six cadets who Secretary Daniels said had been guilty of several hazing offenses.

"Hazing will not be tolerated," said Secretary Daniels, "We determined it shall be eradicated. There is no place in the academy for any man who will not obey orders and the laws of congress. It costs \$12,000 for the government to educate a cadet and the first thing to learn is to obey orders."

ENGLISH PRESSED BACK

Germans Declare They Are Withstanding Enemy's Attack.

(By United Press.) Berlin, (Via Wireless to London), Oct. 1.—German counter attacks continue to press back the English, according to this afternoon's statement from the war office.

All French attacks in the Artois and Champagne regions, including a violent onslaught northwest of Massiges broke down under German fire, it was officially stated.
